Technical Core Selections

All students will receive a Secure Academic Note (SAN) after they have applied to Major Sequence to submit their official sections for primary and secondary technical cores. Students MUST reply to this SAN to have their degree profiles updated.

Technical Core Changes

Students can change their Technical Core at any time before their last semester on enrollment. To change your Technical Core please e-mail advising@ece.utexas.edu [12] the following information:

Name:

eID:

Current Primary:

New Primary:

Faculty Mentor Requested (optional):

Current Secondary:

New Secondary:

Faculty Mentor Requested (optional):

Degree Flowcharts

- 2014-2016 ECE Program Prerequisite Flowchart [13]
- 2012-2014 ECE Program Prerequisite Flowchart [14]
- 2010-2012 ECE Program Prerequisite Flowchart [15]

2012-2014 Catalog Flags

- 2012-2016 Catalogs Flags [20]

GPA Calculator

These GPA calculators were designed for The University of Texas at Austin grading system. These calculations should not be considered your official GPA at The University of Texas at Austin or any other institution.

- UT Registrar GPA Calculator [21]
- Engineering Basic Sequence GPA Calculator [22]

Interactive Degree Audit

IDA will allow you to view and request degree audits online, project how future courses might apply toward your degree, and locate advising resources.

Prospective students may use the IDA planner to estimate how courses from other institutions might apply to UT Austin degrees. IDA provides a computer-generated report of your progress toward completion of the requirements for a specific program at UT Austin. If changes to your record have occurred since your last audit was run, you must create a new audit for those

changes to be included.
