Equipment Checkout

The equipment checkout counter is located in ECJ 1.304. Checked out equipment must not leave the lab area and must be returned before closing on the same day.

Browse available equipment [3]

View your list of checked out and overdue items [4]

Unreturned items will result in fines and a registration bar. If you have lost or broke an item, please inform the checkout counter as soon as possible so that they can inform you of what you will need to do to avoid a registration bar.
