

Tutoring ^[1]

In collaboration with the Engineering Student Services Office, the ECE Department provides opportunities for students to receive one-on-one personalized tutoring. The ECE COMPASS Tutoring Program creates a collaborative environment that motivates each student to develop new study strategies that will better assist them with their EE coursework.

Free walk-in tutoring is available for the following EE courses during the Fall and Spring semesters:

Courses: EE 302, EE 306, EE 319K, EE 411, EE 312, EE 313, EE 351K, and on a limited basis EE 325 and EE 339 (please check the schedule for these courses in ETC 4.150).
Days: Sunday - Thursday
Time: 7:00 p.m. - 10:00 p.m.
Location: Engineering Teaching Center II (ETC) Room 4.150

The last day for ECE tutoring services in ETC 4.150 is Thursday, December 7th.
