Advising [1]

The mission of ECE Undergraduate Advising is to provide the advice, services, and resources needed for students to make informed decisions about their progress towards an Electrical and Computer Engineering degree.

ADVISORY OFFICE

Need a form? Check out our Forms [2] page!

Have general questions about our programs and procedures? Look over our FAQ [3] page!

Location: EER 2.884
Phone: 512-471-1851
Hours: Monday-Friday 8am-5pm
Closed daily from 12-1pm

WALK-IN ADVISING

Advisors are available for quick questions and general advising during walk-in advising hours. Please view our calendar [4] for current walk-in advising hours. Q-drops and other forms will only be signed during walk-in advising hours. Peer advisors are available to assist with quick questions and general advising from 8am-5pm daily.

APPOINTMENTS

For degree audit reviews or other questions that require more time with an advisor, please schedule an appointment here [5]. Prior to scheduling an appointment, consult the information below to review specific areas of focus for each advisor. Please note that we will be offering advising during the first two weeks of classes (week of 8/28 and week of 9/4) on a walk-in basis only to discuss Fall registration. For long-term degree planning questions, we will offer advising appointments after the 8th class day (week of 9/11).

ACADEMIC ADVISORS
Dr. Veronica Vasquez, Associate Director

vvasquez@mail.utexas.edu

Contact for questions about the BSEE/MSE Integrated Program.
Sharon Bressette, Undergraduate Advisor/Coordinator

sbressette@mail.utexas.edu

Contact for questions about tutoring services, minors, pass/fail applications, degree audit overrides, technical core course substitution forms, Software Engineering Design with Academic Enrichment form, Data Sciences and Information Processing form, and graduating student exit interviews.

Nikki Stinnette,
Undergraduate Advisor

nlstinentte@austin.utexas.edu
Contact for questions about Move Forward Program advising, probation advising/advising bars, repeat appeals, EE 125S Internship course, EE x60 research course registration, and peer advisor/Compass Graduate Assistant programs.
