Composition of the PhD Dissertation Committee

The Composition of the Dissertation Committee must satisfy the following criteria:

- The Dissertation Committee must consist of 5 or 6 members, including the Dissertation Supervisor and, if any, Co-Supervisor.
- The Dissertation Supervisor must be a member of the ECE Graduate Studies Committee (GSC) in the case of sole supervision. Either the Dissertation Supervisor or Co-Supervisor must be a member of the ECE GSC in the case of co-supervision, while both may be members.
- The Dissertation Committee must include at least one member from outside of the ECE GSC, not including a Supervisor or Co-Supervisor from outside the ECE GSC in the case of co-supervision.
- The majority of the Dissertation Committee must be ECE GSC members.
- The Dissertation Committee must include at least two ECE faculty members in the Dissertation Committee.
